

Racqueteters

Nest meeting: Monday July 21, 1:00 pm

at the home of Diane Rogers

4 Bennington Ct., San Mateo

TENNIS AT TWO PLACES!

That's what we did this time because of the uncertainty of availability at the Canada Courts. Hopefully it was not an issue for anyone. We were able to have 24 participants in the tournament, 8 subs and 16 members. Congratulations to the subs who were winners:

1st. place to Vicki Stern and Robin Tognetti and second place to Trevlyn Williams and Marilyn Janisch. Thanks to Judy Olson and Maureen Buck for guiding the tennis.

A huge Thanks goes to Charlotte Bassin and Jackie Ellis for spearheading the luncheon. The "spread" including the desserts provided by members, was very much enjoyed by all

To everyone who attended, thanks for supporting this event. It's one more reason to be a Racquetteer!

Diane Rogers, President

Our thanks to all who helped to make the Member-Sub luncheon on May 7th so successful. Jan Emmer, Lenore Hanson, Becky Glikbarg and Diane Rogers helped us set up the tables, chairs and food stations. Gulshan Bhatia, Marian Waddell and Rebecca Coker contributed wonderful, very professional, desserts. All of these ladies and many more of you stayed to help put the room back in order!

Gratefully, Jackie and Charlotte

Newsletter: Question raised regarding inclusion of the updated Point System in the Roster for quick reference.

Old Business: All agreed Member/Sub tournament and lunch was a lovely event.
Acknowledgement that having 6 courts in one location would be ideal but competition for courts at Canada has proven problematic. Options still being explored.

New Business: Member tournament and luncheon will take place on Wednesday, Sept. 17, 2025. *Members - save the date.

Holiday luncheon for Members and Associates will be held the first week of December. Location and date to be determined.

Dear Racqueteers

I want to tell you that my husband Joseph Yedidia passed away on April 24th.

He was buried on April 27th. We had family and close friends from around the world at the funeral.

I did not notify you because most of the Racqueteers now don't know me. It has been quite a few years since I stopped playing. But then I thought about the "old timers" that do remember me.

Thank you for understanding,

All the best,, Tammy
